TUESDAY	16/07/2024		TERM THREE COMMENCES FOR STUDENTS

PARENT VOLUNTEER INFORMATION SESSION - Our next session will be held on Tuesday 23 July at 8:50am (Term 3 - Week 2). This will be the last one for the year. The information session will need to be completed before volunteering in the classrooms. This session is only required to be done once as a register of attendees is kept. Let the office know if you are interested.

St Joey's Pre primary students were lucky enough to receive another Woolworths Junior Landcare Grant. This year the Pre-primary and Year Four classes are going to work together to create some food gardens so we can harvest our own healthy fruit and vegies. We are hoping this will help our students understand where fresh food comes from, what we need to do to ensure it grows and how healthy it is for us. We will also be using and selling our 'worm wee' this year to help us to grow our gardens and also add to our fruit tree collection.

BOTTLE TOPS - Keep collecting clean plastic bottle tops and sending them in for our collaborative art piece depicting the Rainbow Serpent. The artwork will commence on Monday 24 June.
